

Tulsa Area United Way

TAUW is the only nonprofit organization in our six-county area funding 62 partner agencies whose critical services deliver the three building blocks to a better life: **Education, Financial Stability and Health/Safety.**

Improving lives has always been our mission and your contribution helps TAUW and its 62 partner agencies **build a stronger community for all our citizens.**

The Tulsa Area United Way works because it is:

LOCAL

When you invest in your community through the Tulsa Area United Way, your investment stays in our six-county service area. More than 726,000 people received help last year from TAUW's 62 partner agencies.

ACCOUNTABLE

More than 5,000 local volunteers serve on the boards and committees of the United Way and its partner agencies. These trained volunteers make sure your investment is used effectively.

EFFICIENT

Of every dollar you invest, approximately 90 cents goes directly to local programs and services, making our United Way the single best investment to help the most people.

Even though you're no longer a company employee, we want to make it as easy as possible for you to continue your support of the Tulsa Area United Way.

Here's how YOU can help:

Donate

Simply complete the pledge card and return.

Volunteer

Several United Way agencies offer the opportunity to volunteer your time and energy to help others. Call the Retired Senior Volunteer Program (RSVP), 280-8656, or any of the other United Way partner agencies to find out how you can get involved in a variety of community efforts. Or, check out these websites:

Leave a Legacy

Make your annual gift continue forever by making a planned gift of property or dollars that will be administered through your estate. Your gift can take many forms — from an outright gift to trust arrangements that benefit a surviving spouse; from a bequest under a will to a gift that provides for you and your family.
