Tulsa Area United Way
TOCQUEVILLE
SOCIETY

JOIN THE TOCQUEVILLE CENTENNIAL SOCIETY

Tulsa Area United Way will recognize its 100th anniversary of meeting the needs in our community in 2024. As part of the celebration we have created the Tocqueville Centennial Society to honor extraordinary gifts from extraordinary people that drive extraordinary change. Please review the levels on the reverse of this card to let us know how you will recognize this achievement. **For more information and to confirm your giving history, please contact Clint Rataczak at crataczak@tauw.org or 918-295-6692.**

METHODS OF GIVING

Donate Online

Simply go to tauw.org/tocqueville to make your donation. Online you may choose to donate by credit card or automated bank account withdrawal and may select a one-time gift or recurring (monthly, quarterly, semi-annually, annually) gift.

Cash/Credit Card

The most common way to join the Tocqueville Society is through your credit or debit card. Should you choose not to donate online, please call 918-295-6658 to donate by phone. The Tulsa Area United Way adheres to maximum security guidelines and does not store or share your information with any third party.

Gifts of Stock

Giving appreciated stock may qualify you for a larger tax deduction and allow you to avoid capital gains tax.

Donor-Advised Fund

Establishing a donor-advised fund may allow you to lower your tax bill while maximizing charitable contributions. Donor-advised funds may be established through the Tulsa Community Foundation or your financial adviser.

Multi-Year Gifts

Tocqueville members may give multi-year gifts, which also can result in a significant tax savings by “bunching” deductions into one year.

Your contact information is strictly confidential and will not be shared. Your contribution is tax-deductible to the extent allowed by law. No goods or services were exchanged for this pledge or gift.
